

## ANNOUNCEMENT

Effective as of December 19, 1917, Mr. W. O. Borman and H. M. Hare have taken over the Real Estate, Insurance and Loan business formerly conducted under the name of Brookhart & Morfin.

We have for sale 50 farms in Mercer and adjoining counties at reasonable prices.

We make loans on farms and city property at low rates of interest. We DO NOT make a twenty year loan, because it is not a fair loan to the borrower.

We write all classes of insurance and adjust our own losses, insuring you prompt payment.

Why not see us before placing your business in buying real estate.
